

# TOP OF THE WORLD

JULY 17 – JULY 26, 2025

## JULY 17, 2025

Take care to have all your paperwork prepared for travel weeks before you travel, i.e. having a passport valid for 6-months after the last day of your tour. Check your pre-travel information sent to your email. Reminder, travel insurance provides protection for your investment in this trip.

## JULY 18, 2025

Today, we'll set out on an adventure to witness Iceland's stunning natural landscapes on the Golden Circle route. Brace yourself for an extraordinary experience as we explore geological marvels, including the magnificent Gullfoss waterfall. This condensed journey through the Golden Circle offers a breathtaking encounter with Iceland's unspoiled natural beauty where waterfalls, geysers, and raw forces come together to create a unique and picturesque landscape.

## JULY 19, 2025

Today's tour will take us through Reykjavik's most iconic landmarks, including the stunning Harpa Concert Hall, the magnificent Hallgrímskirkja, and the historic Höfði House. This compact and intriguing journey will offer a glimpse into Iceland's capital and its rich cultural heritage, with a mix of modern and historic sites. After the tour, we'll embark on a beautiful cruise ship and set sail.

## JULY 20, 2025

*Port in Heimaey, Iceland 08:00 - 16:00*

Porting in Heimaey is a maritime rendezvous with a small but vibrant island steeped in natural beauty and cultural allure. As the ship docks, you will be greeted by the picturesque harbor, framed by cliffs and dotted with fishing boats, offering a glimpse into the island's seafaring heritage. Wander ashore to explore the charming town center, where colorful houses create a postcard-worthy scene against the backdrop of rugged landscapes.

## JULY 21, 2025

*Port in Seydisfjordur, Iceland 08:00 - 17:00*

Nestled in the picturesque East Fjords of Iceland, your day in Seydisfjordur will be a mesmerizing blend of vibrant landscapes and charming Nordic culture. From exploring the iconic rainbow-colored buildings along the serene fjord to hiking through moss-covered hills, every moment in Seydisfjordur feels like a chapter from a storybook set in a place where nature and culture seamlessly intertwine.

## JULY 22, 2025
